Mr. TICKET AGENT:

When you ticket passengers to and from New York via the Baltimore & Ohio they have the advantage of this exclusive and convenient service.

Upon arriving at Jersey City, they step from the train into comfortable, streamlined motor coaches that take passengers and their hand baggage right from the train to any of 17 places in New York and Brooklyn, including a number of leading hotels. No bother with hand baggage. Checked on the train it is delivered to passengers when they leave the coach. No traffic worries, no taxicab expense, no tips, no long walks—and there's no extra charge. Leaving New York, there is available the same convenient service.

Baltimore & Ohio fast, frequent, air-conditioned trains to and from New York include the SHENANDOAH and FORT PITT LIMITED to and from Pittsburgh and Chicago, and the NATIONAL LIMITED and DIPLOMAT to and from Cincinnati, Louisville and St. Louis. Also the streamlined ROYAL BLUE and COLUMBIAN between Washington, Baltimore, Philadelphia and New York, featuring new ideas in streamlined trains.
